## FY2023 Cultural Participation Program Grant Awards

Total funding for FY2023 Cultural Participation Program awards is \$855,687. A base award of \$6,300 is applied to each County or Tribal Cultural Coalition. A per capita funding amount is then applied to each Coalition by multiplying the percent of the state's total population a Coalition represents to the amount set aside for per capita funding. The average per capita funding in FY2023 is \$1.00.

The population of Oregon decreased in 2021 (Source: Portland State University College of Urban & Public Affairs: Population Research Center). However, the increase in overall fundraising by the Trust in FY2022 will allow each Coalition to see a significant increase in grant awards in FY2023. Per capita funding ranges from \$15.17 (Burns Paiute) to \$.14 (Multnomah and Washington Counties), with rural counties receiving greater per capita funding than their urban counterparts.
