### FY2025 Cultural Participation Program Grant Awards

Total funding for FY2025 Cultural Participation Program awards is \$962,880. A base award of \$8,500 is applied to each County or Tribal Cultural Coalition (increased from \$6,300 in FY2024). A per capita funding amount is then applied to each Coalition by multiplying the percent of the state’s total population a Coalition represents to the amount set aside for per capita funding. The average per capita funding in FY2025 is \$1.68 (up from \$1.25 in FY2024).

The population of Oregon increased in 2023 by .59% (Source: Portland State University College of Urban & Public Affairs: Population Research Center). Per capita funding ranges from \$19.58 (Burns Paiute) to \$.14 (Multnomah County), with rural counties receiving greater per capita funding than their urban counterparts.
